Dear Parent(s) or Guardian(s),

The Ohio Department of Education and Workforce requires that schools notify parents about their Bullying Policy annually. Thankfully, bullying has not been an issue at the School of Hope! We do, however, maintain a policy on bullying in the event that bullying would occur and a process for addressing it. Our policy is as follows:

Anti-Harassment, Anti-Intimidation or Anti-Bullying Policy
It is the policy of the Sandusky County Board of Developmental Disabilities that any form of bullying behavior, whether in the classroom, on school property, to and from school or at school-sponsored events is expressly forbidden. Per House Bill 276 and Ohio Revised Code 3313.666 and 3313.667, all Ohio school districts must establish a policy prohibiting harassment, intimidation or bullying.

If you feel your son or daughter is being bullied, harassed or intimidated in any way, please contact the school administration. If you would like a copy of this policy, please contact me. If you have any questions, please feel free to contact me at 567-342-4766 or by email at tfoos@npesc.org.

Yours in Education,

Tracy Foos
Supervisor of Educational Services
