To: Athletes, families, providers, guardians:

We are excited to offer Disc Golf Club to Sandusky County Special Olympics! Let's start this season with the Special Olympic Oath: **"Let Me Win, But if I Cannot Win, Let Me Be Brave in the Attempt."**

Disc golf club practices will be held at **Fremont's Walsh Park** from 5-6 pm. Meet at the shelter at the bottom of the hill. It is recommended to dress comfortably for the weather and a light work out that includes walking medium to long distance. Bring a sports drink or water bottle in a backpack or fanny pack as your hands will be busy with discs. It is recommended to get a set of golf discs if you are serious about the game. You may want to bring bug spray for mosquitoes!

SCSO has several sets of discs for participants to use. **If you require day supports, staff must attend with you during these club clinics.** Please call Ed at 419-680-2046 x119 if you have any questions concerning practice times and schedule. Tony Meza will be leading with help of SCSO coaches and volunteers. In the event of rain, the event is cancelled.
